ABOUT THE PROPERTY

This is a beautiful home in desirable northwest London. Don't miss this 4-level back split gem! The open floor plan and high ceilings create a wonderful sense of space. The main floor living room, dining room, and kitchen are modern and sparkling with Hickory hardwood floors throughout. Second level includes three large bedrooms; third level has a comfortable family room with gas fireplace and bright windows, as well as a guestroom with a full three-piece bathroom. The bonus fourth level and is fully finished with laminated flooring and plenty of storage! The fine exterior includes a big patio and large, fully fenced backyard with side door access to the kitchen. Only minutes away from big box stores and all amenities!
